TOTAL 35,806,042 m2 = 35.8 km2 = 8,847.5517667 acres = 13.83 square miles

Note: Property areas reflect approximate estimates; in addition to properties contained in this list most islands have been nationalized (some are held in a separate register and have been omitted from this list); in total more than 20% of Seychelles Land Territory was been nationalized – in most cases without adequate, prompt and effective compensation ...
